

“MAN WITHOUT A COUNTRY” COSTUME REQUIREMENTS - 2026

NOTES:

- all costume requirements must be brought in a bag with the actor's name clearly visible on the outside of the bag (a sturdy, distinctive looking bag like a reusable grocery bag is also appreciated, but not required - it must still be clearly labeled)
- all shoes must be completely black/brown, including the soles, and no visible logos
- All costume requirements must be brought in and checked by the costumes head no later than Wednesday of camp week.

FEMALE CHARACTERS:

- Neutral* colored wide strap tank top or t-shirt (no racerbacks. No camisoles or spaghetti straps please.) Must have a wider neckline or be able to be cut so as not to be visible under the costume (necklines will still be modest).
- Dark, plain, knee-length basketball shorts (must be long and loose fitting), or a dark, knee-length slip
- Plain black flats.

MALE CHARACTERS:

- White/cream tank top or undershirt (preferably wider neckline or able to cut the neckline if needed)
- Plain, knee-length gym shorts (must be long and loose fitting).
- Black tights or thigh-high socks (NOT KNEE HIGH! Sadly, knee-high is not high enough!). Thigh-high socks can be purchased in a six pack on amazon [here](#) for \$20.99 (before tax). If you find friends with amazon prime and split the pack, you will each end up paying roughly \$4. Or, you can get a two pack [here](#) for \$12.99.
- Black, plain dress shoes (not shiny).
- **White**, plain, **loose fitting** pants (not skinny/fitted, as we will need to role them up to knicker them at the knee; no symbols, logos, etc.) * Neutral colors = white/cream, tan, brown, black (also, no logos/designs)
